

Armonia Apartments & Studios - Apartment 3 (sleeps 2 or 3)

This lovely apartment is found on the first floor. There is a twin-bedded bedroom and there is also a sofa / couch that can be converted to sleep a third visitor.

As with all the apartments there is a stove, fridge, kettle, toaster, sufficient cutlery, pans, glasses, egg cups etc, a separate bathroom with shower and toilet and plenty of wardrobe space.

There is an outside patio area where you can enjoy a glass of cool Amstel straight from the fridge after a hard day tanning, swimming and reading. You can then enjoy a comforting shower before strolling down to the village for a pre-dinner drink and then a well earned meal.
