

Armonia Apartments are situated on the outskirts of Almyrida on the northern coast of western Crete.

These comfortable apartments are to be found in a pretty garden and only a few minutes walk away from the Blue Flag sandy beach and the amenities of the small, family friendly resort of Almyrida.

Lilian and George, the owners, are very proud of the apartments and welcome some visitors year after year. The apartments are open all year and so you can enjoy the Cretan weather, food and hospitality at any season.
